How to read this book

I **Find your craving**
Open the Contents for a chapter, or the Directory for any of the 500 recipes. Every line is a link.

II **Read the page**
One page holds one pattern and its five related recipes: the ingredients, the method and the plated dish.

III **Search anything**
Press Ctrl+F (Cmd+F on a Mac) and type a word — “deposit”, “kupon”, “SPP”, “flash”.

IV **Cook it in FlexiBill**
Each method step names the FlexiBill menu where it lives. Follow it, then serve.
